

Netherlands Institute for Human Rights and Medical Assessment

Consent Educational Use iMMMO

This statement is given by the undersigned,

Surname :

Name :

Date of birth :

It is my understanding

- That iMMMO seeks to perform assessments to the best of quality standards, offering its assessors a continuous program of education.
- That in doing this iMMMO uses the experiences of prior assessments, using gathered materials that are made anonymous and not traceable to individual persons.
- That assessed persons in the future may benefit from these experiences.
- That I am not obliged to give permission to use materials from my assessment.
- That granting or denying permission to use materials from my assessment for educational purposes within iMMMO is of no consequence with regard to either the performance or the result of my own assessment.

I grant permission

- For iMMMO to use materials collected in my assessment for educational purposes of assessors, without those materials being personally recognizable or attributable to me. All persons concerned are bound to confidentiality with regard to these data.

I have been able to consult

- The Regulation on the Complaints Procedure.

Stated,
